

Stockport Afternoon Flower Club

Newsletter April 2021

Club News

Well done to everyone who attended our Zoom Easter Afternoon Tea - the hats were awesome and the teas looked delicious.

Thanks to everyone who participated in our mini demonstrations of flowery tea cups, cakes and hats. We had some lovely feedback comments. Everyone enjoyed chatting in the breakout rooms. We are going to have another, similar, social event in August instead of our usual break.

Zoom demonstrations are continuing until the summer as the Civic Hall is currently unavailable and we are not convinced it will be safe for us all to meet yet. We have a Zoom programme booked up to August which you will receive with this newsletter. We have not printed membership cards because future plans are uncertain. The newsletter will be sent out to you in the middle of each month so that you will know what is going on before the meeting date. Rest assured that we will continue to function as a club online until we can meet again in person.

There is no quiz this month. We have lots of photographs from the Easter event for the benefit of members who could not attend.

Because restrictions on travel will be eased before our April meeting, we will be able to collect the flowers from Dawn. These will be donated to lucky members only (not our guests) and delivered to them as soon after the demonstration as we can.

Our decision to open the Zoom meetings to our facebook group and other organisations and friends has resulted in four new members. There can't be many clubs who can say that they have gained new members in lockdown!

Your subscriptions, helped by a grant from Stockport council, has allowed us to do this and we thank you for your generosity to others in this troubled time.

Stay well.

Zoom meeting Instruction

A very simple video showing this is on our facebook page or you can access it on youtube. Look for "Smart Simple Digital - How to Join a Zoom meeting for the first time". Please have a go, we'd love to see you.
