FEBRUARY 2021

## MEMBERS NEWS

**Dear members,**  
**Another big change in the lockdown which means that we will have to abandon any hope of reopening in March. We are now planning to reopen around September but this is just a planning date. We will have to see how things develop as we get into the year. Thank you for all your advice.**  
**As you all know we have not been able to ask for any subscriptions as we have had to remain closed since last March. If we are able to reopen in September or October our plan is to ask you for a subscription of £15 equal to half a year. We believe this is the fairest way for everyone.**

## COMMITTEE CHANGES

**Janet Hobson and Gillian Hulme will be retiring from the Committee in March. We thank them for their loyal and dedicated service over many years. Jacqui Owen is joining the committee and we are going to form a Technology Team to help us get into this modern, technical, social media age much faster.**

## COMMITTEE 2007

## MY FLOWER HERO

**Jean Eaton seen here dancing with our great friend Emma Kenworthy at the last Strictly Flowers and Dance event absolutely loves the Flower Club and can't wait for it to reopen. She doesn't have a FLOWER HERO, she loves everyone who comes to the Club.**

## A FLORAL ZOOM

Wow, what a huge success. We had some fun with the practice sessions, but it worked. Upwards of 50 members watched the ZOOM Demonstration with Jacqui and everyone enjoyed it. There were some Zoom virgins but with perseverance and help from sons and daughters we all made it.

**A Big, Big thank you to Jacqui for a fabulous Demonstration.**

## THE THREE AMIGOS

Jacqui has just done a great ZOOM demonstration for us. I helped out a bit and now Mark has offered one of his YouTube arrangement's for you to enjoy in February. All you have to do is click on the link below and you will go to Marks personal channel on YouTube <https://youtu.be/vV8zdKzjG5c>

## ZOOM INTO MARCH

Our next Zoom demonstration will be on the 15th March at 7.30pm. The demonstrator will be Vanessa Wellock from Ilkley. She is Chairman of Ilkley Flower Club and one of the most noted Flower Arrangers in the UK at the moment. Let's give her a Big Welcome.
