## Newsletter March 2021

### Club News

**Our first Zoom AGM and demonstration was a resounding success.**

26 members attended the AGM and 47 members and friends saw Mark Entwistle's stunning demonstration.

We were overwhelmed by the positive feedback we received. Some of our guests sent generous donations, which was very unexpected, and one person is going to become a member.

We were delighted that so many members mastered the Zoom. If you had any problems that you would like help with, please get in touch and we will do our best to assist you.

Our president, Morag, is keen for us to have a social event at our meeting on 29 March so that we can chat to each other. If you had any problem with this in the breakout rooms, please let us help beforehand so that you can join in.

Make yourself a nice afternoon tea and an Easter Bonnet and you can tell us all about it and how you made it. We will have a mini demonstration of the committee's afternoon tea ideas, too.

If you have given us your contact details, you will get a link for this meeting automatically. You will also be able to "bring a friend" as we did in February. There will be no charge for your friend. We hope to have as good a turnout as we did in February.

Zoom meetings will continue this year until the hall is open again. Stay well.

### Zoom meeting Instruction

A very simple video showing this is on our facebook page or you can access it on youtube. Look for "Smart Simple Digital - How to Join a Zoom meeting for the first time". Please have a go, we'd love to see you.
